The Sandboy was built in 1908, serving the needs
of the railway, sand quarry and locals. Gayton Road
station closed to passengers in 1959 with freight
services running until 1968, and in the early 1970s
the track and station were finally demolished.

Situated 3 miles east of King's Lynn, The Sandboy

within easy reach. Across the B1145, you'll find
Bawsey Country Park, the perfect place to relax,

exploring the many pathways, returning to
The Sandboy for refreshments.

With ample parking, a fully featured function suite,
and a spacious patio seating area, The Sandboy
